Letter dated 25 June 1992 from His Excellency Mr. Alija Izetbegović, President of Bosnia and Herzegovina, addressed to the President of the Security Council

Sarajevo, 25 June 1992

Dear Mr. Chairman,

I wish to draw the attention of the United Nations Security Council to the increased activity of airplanes of the Yugoslav Army against civilian targets in my country.

On 23rd June warplanes of the Yugoslav Army attacked Visoko, 20 km from Sarajevo, where they destroyed a medium wave transmitter of Radio Sarajevo which had covered the entire country. On 24th June they bombarded Goražde (the second time in a week), Kladanj, Odžak, Modriča, and made a rocket attack on the TV relay station on mount Bjelašnica near Sarajevo. Today they have made repeated flights over Sarajevo and the surrounding places.

All this indicates not only that the Yugoslav Army has not withdrawn from Bosnia and Herzegovina in accordance with the relevant resolution of the United Nations Security Council, but also that it is continuing its aggression against my country using all the means at its disposal.

We would appreciate this letter to be distributed as a Security Council document.

(Signed) Alija Izetbegović
President of the Presidency
